- Do something they never thought possible
- Master a unique skill
- Create something new and see it come to life
- Work with others to achieve what they could never do alone
- Develop pride and concentration through practice

Students and volunteers also enjoy an unforgettable experience, as they see, experience, and practice circus arts, including acrobatics, juggling, and circus games with big top fun. Students play a key role in the creation and development of arts for their sporting performance.

**Clown Day**  
Clown Day is a special day for all students and staff. It is a day where students can be creative and have fun. They can make their own clowns and perform for their friends and family. It is a great way to learn about circus arts and have a lot of fun.
